Rockford pick desks with totes and Bola seating provide elementary students with comfort and durability, as well as organization and flexibility. Bola chairs feature a generous, gently curved seat for a relaxing sit.

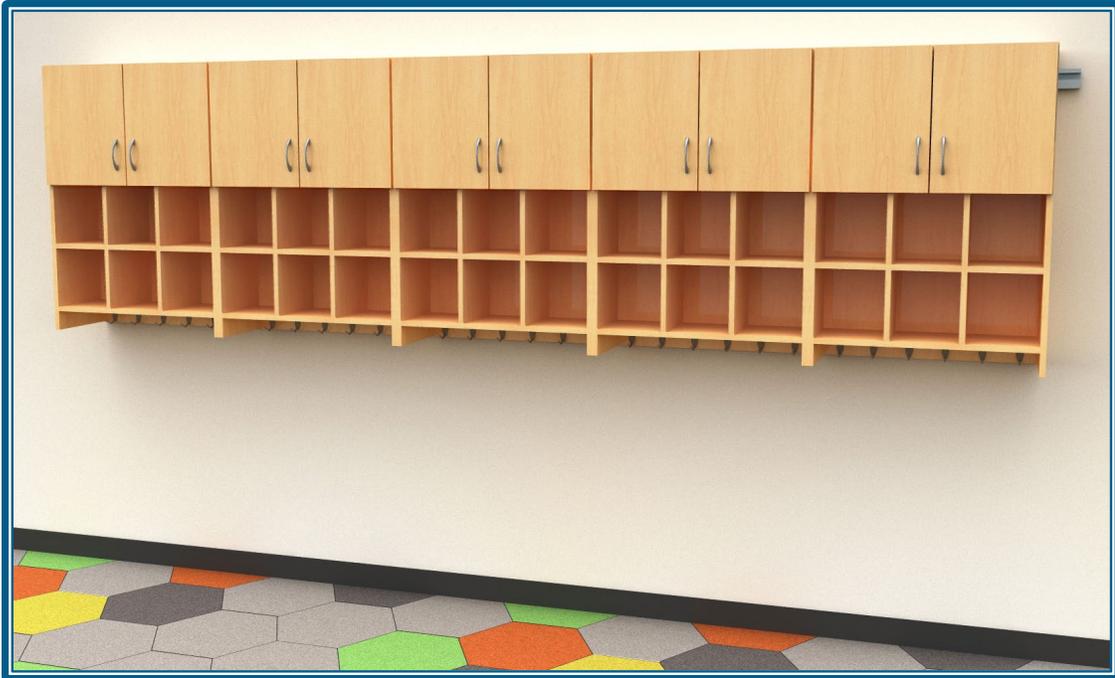

Utilizing mobile storage units and teacher workstations, are the cornerstone of efficient collaborative classroom environments. Rubix classroom storage systems with transferrable totes offer a range of combinations and options.

The collaborative classroom demands efficiency. Cascade® classroom storage systems with transferrable totes provide countless configurations and options in mobile storage units and teacher desks.

An alternative to traditional cubbies/ lockers in elementary classrooms. Allowing for backpack and coat hooks as well as open cubbies and concealed cabinet storage, elements lockers provide an invaluable solution. Granting freedom to repurpose classroom as well as their lockers in other, future spaces while reducing their waste and your carbon footprint. Before earmarking large budget dollars toward single- use, fixed lockers that predetermine the use of your space for the next 20+years, consider modular and transferable storage that offers a quality you can control and features you can customize.
